How should you use the LUXE-LIST?

- Select your destination from the country or city/town columns. E.g. Caribbean Islands
- Check the best months to visit and plan accordingly
- Compare hotel features of these top 50 luxury hotels

Check 'What's unique about the hotel'

Shortlist your hotels from this list OR use the same criteria to select other hotels

PLEASE DO NOT HURRY in making a decision. Give at least a good 4-5 days before making a decision

Once you have booked a hotel, use the nearest airport and currency details to plan the travel

NOTE 1 - The information of these hotels was collected on 21st June 2018 and it might vary a bit. There are chances that some of the links might change.

NOTE 2 - The information is based on our research of various hotels and their features. For some hotels, e.g. Sandals, we were able to provide a lot of information, as we are affiliated to them.

NOTE 3 - You can be sure that the information on other hotels (where are not affiliated), is top notch and you will not find this anywhere else in a single easy to read list, that's why its called the 'LUXE-LIST'.

NOTE 4 - Some of the links like that of Sandals and Palace resorts, might look different. DO NOT WORRY :). These are our affiliate links, that's the reason they look different. Once clicked, you will be taken directly to Sandals website.
